**ANTICIPATED LOCK CLOSURES (CY2019 - CY2023)  
Illinois Waterway Consolidated Closures Plan**

"SEE ATTACHMENT" for complete closures

It is anticipated that major maintenance and repairs will be performed at the following locations during Calendar Years 2019, 2020 and 2023 on the Illinois Waterway. These schedules are subject to change, and this notice may require periodic revisions. It is given so that industrial waterway users may have a general knowledge of the anticipated lock outages and can plan their operations accordingly. Factors which may affect this schedule are the delivery of materials, repairs required but not anticipated, emergency repairs as a result of accidents, and funding.

All interested parties should review the maintenance schedule for impact. Additional notices furnishing specific information and operating requirements will be published approximately two weeks in advance of commencing the work items listed. Visit the Notices to Navigation Interests (NTNI) website for all the current Navigation Notices: <http://ntninotices.usace.army.mil/lpwb/f?p=150:1:0::::>
